**the development of a u.s. and generalized ethnocentrism scale** - fascism, anti-semitism, and what they called the "antidemocratic" personality. adorno et al. (1950) analyzed data from more than 2000 questionnaires and more than 80 clinical interviews. they argued that nationalism is a species of ethnocentrism, that ethnocentrism is an expression of authoritarianism, and that authoritarianism is a personality ... **the impact of performance management system on employee ...** - this study focuses on analyzing and exploring the impact of performance management system on employee performance. according to chan and lynn (1991), the organizational performance criteria should include profitability, productivity, marketing effectiveness, customer satisfaction, but also employee morale. in this **the effects of participation in athletics on academic ...** - the advising of student athletes (zani, 1991). "america somehow took this belief in the ennobling nature of sports and transformed it into a quasi-religion" (cramer, 1986, p. k1). the adult community has internalized this fascination with sports and passed it on to the students of america (sage, 1978). **research, research gap and the research problem** - research, research gap and the research problem | 4 performance. whatever the result he gets, it adds new knowledge to the existing literature. likewise, within foreseeable future scholars may also confirm that there is a positive, negative or no relationship between eo and firm performance. in that state, the research gap fills. **the devel~pment of a u.s. and generalized ethnocentrism ...** - the devel~pment of a u.s. and generalized ethnocentrism scale james w. neuliep st norbert college james c. mccroskey west virginia university the two studies reported here deal with the development and validation of **curriculum models for preschool education: theories and ...** - curriculum models for preschool education: theories and approaches to learning in the early years ... & devries, 1980, 1991, 1993, 1999). the perspective is based on piaget's constructivist ... approach rather than to convert the educator to learner-centered education.
