# Thermostable Alkaline Protease Haloalkaliphilic Bacteria Thumar

**thermostable alkaline halophilic-protease production by ...** - short communication thermostable alkaline halophilic-protease production by *natronolimnobi* *innermongolicus* wn18 samy selima,b\*, nashwa hagagyb,c, mohamed abdel azizb, el syaed el-meleigyb and enrica pessione c a department of clinical laboratory science, college of applied medical science, aljouf university, al jouf, saudi arabia; b microbiology and botany department, faculty of science, suuez ... **effect of organic solvents on the activity and stability ...** - protease secreted by the haloalkaliphilic *bacillus firmus* hs4 ... thermostable, metal ion and organic solvent tolerant in nature. the determination in the present ... alkaline protease activity was determined by incubating the reaction mixture for 10 minutes with different substrate concentration, ranging . **isolation and partial characterization of protease from ...** - and thermostable habitats produces the alkaline- thermostable protease which may have with special characteristics 4. very less study had been done on protease from bacilli of lonar lake, which can wide applications in different industries 5. in present study, aim was to deal with the isolation, characterization, production and optimization of ... **cloning, heterologous expression and structural ...** - a haloalkaliphilic bacterium ve 2-20-9 1 was isolated from the seawater of the veraval coast, gujarat, india. the ve 2-20-9 1 isolate was able to secrete an extracellular alkaline serine protease, which was active under the dual extremities of alkaline ph and nacl. ta-cloning vector (insta clone pcr clone kit), was procured from fermentas, usa ... **research article extraction and partial characterization ...** - alkaline lonar lake (buldhana district, maharashtra) is saline and alkaline and harbors various unidentified, unique haloalkaliphilic bacterial species. the data showed that these lonar lake bacteria can produce industrially important enzyme which are thermostable, resistance to alkali and most the denaturing chemicals. **green recycling of chicken feather and sheep wool using ...** - alkaline protease from the haloalkaliphilic . *bacillus cir- culans* . I. and its possible use in hydrolysis of sheep wool, chicken feathers as well as its compatibility with a com- mon detergent. 2. materials and methods. 2.1. organism . the haloalkaliphilic . *bacillus circulans* . I., previously isolated from hypersaline alkaline soil at al-madinah **dr. jignasha trikamlal thumar assistant professor ...** - thermostable alkaline protease from haloalkaliphilic bacteria. by - lambert academic publishing , germany,. 28th january, 2015. isbn ... m. haloalkaliphilic bacteria and actinobacteria from the saline habitats: new opportunities for biocatalysis and bioremediation.
